2025	Weather Forecast Pro Shows daily weather updates with cool design and using rest api. Source Code: https://github.com/AbuZafor99/ForecastPro	Java, XML, Rest API

Education

Bachelor of Science

2022 - now

INDEPENDENT UNIVERSITY, BANGLADESH

CGPA: 3.63

- Major: Computer Science and Engineering
- Minor: Management Information System

Honors & Awards

2023 Runner-up in Algorithms Project, TechFest Summer 2023

IUB

2024 Honorable Mention, Intra-IUB programming contest

IUB

Extracurricular Activities

2022-2025 Participant, TechFest- IUB

2023-2024 Volunteer, Bangladesh Physics

Olympiad, National Round - IUB

2023-2024 Volunteer, Bangladesh Olympiad on

Astronomy and Astrophysics, National Round -IUB

Training and Certifications

2022 Python for Data Science, AI & Development, Coursera

Online

2022 Python Data Structure, Coursera

Online

2022 Crash Course on Python, Coursera

Online

2022 Competitive Programming, IUB contest

IUB

2023 CCNA: Introduction to Networks, Cisco

IUB

2023 Master Git & GitHub beginner to expert, Udemy

Online

2025 Complete Flutter App Development Career Path, Ostad (on going)

Online
